SUMMARY (TAILORED FOR MACPAW)

Senior QA Automation Engineer with 5+ years of practical experience building fast, reliable test suites using Playwright, Cypress, Selenium WebDriver, Python, TypeScript. I focus on keeping CI/CD pipelines green, cutting regression time from hours to minutes, and working directly with developers at MacPaw to ship clean releases. Available to start 1 week after offer.

CORE TECHNICAL SKILLS & TOOLS

Playwright (TypeScript & Python), Cypress, Selenium WebDriver, Python, TypeScript, JavaScript (ES6+), PyTest, Appium, SQL, Bash, Postman, REST Assured, GraphQL, OpenAPI, Swagger, WireMock, GitHub Actions, GitLab CI

PROFESSIONAL WORK EXPERIENCE

Senior QA Automation Engineer | TechNova Cloud Solutions (2023-01 - Present)

* Architected end-to-end testing suite using Playwright and TypeScript, reducing release regression cycles from 14 hours to 35 minutes.
* Integrated parallel CI test runs across GitHub Actions and Docker, achieving 99.4% pipeline reliability and blocking 180+ critical bugs prior to production.
* Engineered API integration test suite using Python and PyTest covering 120+ REST endpoints with automated data seeding.

QA Engineer / Automation Specialist | Apex Fintech Labs (2021-03 - 2022-12)

* Implemented automated regression framework with Cypress and JavaScript for high-volume banking dashboard.
* Built performance benchmarks using k6, identifying bottlenecks under 5,000 concurrent virtual users.
* Mentored 4 manual QA testers transitioning into automation with structured TypeScript workshops.

Technical Support & QA Analyst | Global Logic Support (2019-06 - 2021-02)

* Diagnosed and resolved Tier-3 SaaS customer escalations involving REST APIs, webhook failures, and database mismatches.
* Executed manual test plans, exploratory testing, and authored reproducibility reports with SQL log analysis.
* Contributed to internal knowledge base and customer-facing troubleshooting playbooks.

EDUCATION & LANGUAGES

B.Sc. in Computer Science - Technical University of Munich (2019)
Languages: English (Full Professional / C2), German (Working / B2) | Availability: 1 week after offer
